

S.R. 2012, Section 772
Bridge Replacement Project over
Trout Brook
Clinton Township, Wyoming County, PA

Plans Display Survey

Please take a few minutes to fill out the survey so we may better understand your concerns. PennDOT plans to perform a bridge replacement on the existing single span bridge carrying Lithia Valley Road over Trout Brook. The road will be closed during construction and traffic will be detoured.

1. Do you favor the proposed improvements and rehabilitation of the bridge?

1 2 3 4 5
Strongly Object Somewhat Object Neutral Favor Strongly Favor

2. Do you have questions about the project? Please Circle - Yes No

If so, please list your questions and the project team will get back to you. (You will need to provide your name, address, and phone # on the back of the form).

3. The proposed method of Traffic Control presented has been evaluated and developed to provide the most cost effective and the least disruptive plan for this type of construction. Traffic will be detoured along the routes shown on the display. Please tell us any concerns you may have with the detour.

4. Are the plans informative?

1 2 3
Not Informative Somewhat Informative Very Informative

What could be done to improve the presentation?

(continued other side)

5. Do you have other specific comments or concerns? Please list them and the project team will get back to you. (You will need to provide your name, address, and phone # on the form below).
